

Request for Services – Licensed Therapist (LCSW/LMFT)

Pala Social Services

Purpose

The Pala Band of Mission Indians and the Pala Social Services Department has been awarded multiple grant funding to provide a variety of behavioral health services to Pala Tribal Members, their families and community. The purpose of this request is to obtain quotes from local service providers for the services of a Licensed Therapist (LCSW/LMFT).

Terms and Conditions

Job Types: Subcontractor

Client Population: Native American members, families and community of all ages

Terms: Services will be primarily provided in person, on the Pala Reservation, but May be conducted in the field or office setting. Because there are multiple sources, services provided may be within multiple programs and varying populations.

Start Date: January 2023

End Date: September, 29, 2026

Hours per week: 16 (minimum) – 40 (maximum)

Qualifications

We are looking for educated, experienced clinical professionals who bring extraordinary compassion and commitment to their work. Applicants should have the following qualifications:

- Proof of current licensing with the California Board of Behavioral Sciences
- 1 year of experience
- Complete and pass LiveScan Background Check

Special Considerations

Please provide any relevant work history or experience that demonstrates your unique qualifications or experience working with Tribes, Native Families and/or Mental Health Crisis Interventions.

Indian Preference Applies

Indian preference will apply. The Pala Band of Mission Indians will give procurement preference to fully qualified applicants.

How to Apply
