

PALA KISH

Behavioral Health Bridge Housing

PALA KISH

Kish, the PBMI Behavioral Health Bridge Housing Program, provides supportive services to community members struggling with comorbid Behavioral Health Complications and Homelessness due to unemployment, domestic violence, and many other circumstances.

This program requires that (1) Prospective participants have a Mental Health or Substance Abuse condition and (2) Clients must be actively homeless or in the process of becoming homeless within the next 30 days (with proof). Prospective clients who do not meet these criteria will not be considered for the program.

Kish clients must also be willing to find employment or enroll in school full-time to receive assistance.

SERVICES:

- Housing Placement/stabilization
- Emergency Shelter (as needed)
- Transportation Assistance
- Food and Basic Need Assistance
- Financial Literacy/Budgeting
- Case Management
